

News Release #4 – Friday Morning Update

For release at 6:30 a.m.

November 29, 2019

Beaumont, Texas – The event is still ongoing, and Emergency Response crews remain on site working to manage the incident. TPC Group continues to work closely with the county and Emergency Response Personnel to get this situation under control as safely and as quickly as possible and to prevent further impacts.

Air monitoring continued through the evening and into the morning. Results indicate no human health concerns at this time.

TPC Group remains focused on protecting the safety of responders and the public and minimizing any impact to the environment. We encourage area residents to stay tuned to information from Jefferson County Office of Emergency Management and the local media.

The next update will be issued at 11:30 a.m.
